

# Introduction to ADEPT Pure Water Ltd

**ADEPT**  
Pure Water Limited

Since its Establishment in 2003, ADEPT Pure Water Ltd is a continually expanding company which holds the reputation of being one of the most trusted and reliable suppliers of Water Purification solutions.

Based at its purpose built factory in Wellingborough, Northamptonshire and offering full U.K. Coverage to commercial clients processing non-potable water, the company is able to offer a complete tailored solution to its client's requirements and can design, manufacture, install, commission and service its own water purification systems which include:

- Eco and Standard Reverse Osmosis Units
- Eco & Di-on-x Semi & Fully Automatic Multi Valve De-ionisers
- Water Softeners
- I-on-x Exchange Cylinders
- Ring Main Installations
- System Designs and Refits amongst other processes.

In addition, ADEPT Pure Water Ltd is also able to offer Service and Repair support to other Suppliers' own makes of Water Purification Equipment too.

ADEPT Pure Water Ltd employs highly skilled engineers who receive stringent in-house training which ensures they are capable of doing their job right first time. This has consequently led to the Company being able to pride itself on the excellent Customer Support and Product knowledge it can offer to all prospective and existing clients.

To ensure that optimum performance of the chosen Water Purification System continues, it is essential that a Service Contract is taken out.

ADEPT Pure Water Ltd does not offer numerous, complicated or confusing Service Contract types. Instead the Company has listened to its clients requirements and has developed its Service Contracts based on the philosophy of "Give clients what they want: a simple Service Contract Arrangement which the Client can Control and Benefits from, from Day 1".

The Two Service Contracts Options are:

- Standard Service Contract with a Breakdown Response within 24 Hours
- Respond Service Contract with a Breakdown Response within 8 Working Hours

Both Contracts can be tailored to suit the clients requirements (i.e. number of services per year and whether Consumables are required or not.)

In choosing an ADEPT Pure Water Ltd Service Contract, Clients can expect to receive many benefits, some of which include:

- Rapid Response to breakdown problems
- Discounted Engineer Day Rates from Day 1
- In-house highly trained Engineers, experienced in Fault Finding and Service Support
- Discounts on all Consumables
- Discounts on all Pipes and Fittings
- Free delivery on all small items and consumables (Excludes I-on-x Exchange Cylinders UNLESS delivered at the same time of engineers visit)
- Free Assistance on Operator System Training
- Free Assistance in System Monitoring (Sample Taking, Information Recording etc)
- Peace of Mind that your Water Purification System is being serviced and maintained by ADEPT Pure Water Ltd.
